## PREFERS JAIL TO PAYING HIS COSTS; GETS IT

William M. Ritchie, 37, Biglerville, told the Adams County court twice Tuesday afternoon that he prefers jail to paying \$52 costs remaining on a 1957 case.

A process was issued by the county court in 1957 for the sheriff to pick up Ritchie for failing to pay the costs on a morals case. Ritchie, according to the sheriff, at the time was residing in the Detroit area. On February 17, Ritchie was taken into custody on the process, after his return to Adams County, and placed in jail.

When Ritchie appeared before the court Tuesday afternoon and was asked about his intentions concerning payment of the costs, he said he wasn't going to pay them. The judge returned him to custody of the sheriff.

### SENT BACK TO JAIL

At the conclusion of the afternoon session, Judge W. C. Sheely again called Ritchie before the court and told him that the district attorney had thought he said he "couldn't pay," while the court thought he had said he "wouldn't pay." Judge Sheely asked Ritchie which interpretation was correct. Ritchie said he "wouldn't pay." The court noted that "that satisfies us, we were right, you will return to custody of the sheriff."

Other defendants appearing before the court to explain why they were behind with payments, however, had explanations and made arrangements for future payments.

Clifford J. Wagaman, Gettysburg R. 3, in for failure to pay approximately \$30 in costs, told the court he had no job but that his brother had promised to pay. The court gave him until March 24 to pay or return to serve out the remaining 12 months of a sentence on which he is on parole.

Robert Reese, Fairfield R. 1, was directed to pay costs in a case in full by April 10 or face arrest.

## VISITORS' DAY IS PLANNED AT COUNTY HOME

The Adams County Home Auxiliary at its meeting Tuesday afternoon at the home turned over to a committee completion of plans for the annual visitors' day, bake sale and dinner.

No visiting day was held during the current "year" of the association, because of the move from the old county home to the new home and the resultant "open house" program. A dinner and bake sale was successfully held however.

Members were urged to assist with the occupational therapy program at the home held Wednesday from 9 to 11 a.m. and 1 to 3 p.m. Volunteers are asked to be the county home at that time to assist with the program.

### TO PLAY SHUFFLEBOARD

Mrs. Earl Deily reported the arrangements have been made for projectionists for the movie program and it is expected that the program will begin in a few weeks.

It was reported that Lee Raffensperger, local recreation director, will be at the county home Thursday night to instruct in use of the shuffleboard.

A report showed more than 500 dish cloth sets made and sold and the funds will go to pay for the door alarms and door plates being installed at the home. The alarms are to audibly notify the nurses if any outside door is opened.

### 10 NEW MEMBERS

Mrs. Mark Stock reported a nurse's cart purchased by the auxiliary for use by the nurses at the home has been delivered.

Mrs. Clarence Smith reported 10 new members secured during the month. Reports showed Gettysburg barbers providing the haircuts for the men during April and (Continued On Page 3)

## Pleased With Data Orbiting From Missile

WASHINGTON (AP) — Delighted space officials say the orbiting solar observatory is sending back information scientists have always sought about the sun's rays and wave lengths. The data could provide clues about the origin of the universe.

And, they say, the spacecraft called OSO-1 is transmitting the best radio signals yet received from a satellite. Officials of the National Aeronautics and Space Administration reported at a news conference Tuesday on the satellite, launched from Cape Canaveral, Fla., March 7. By noon Tuesday it had completed 90 orbits at 96.15 minutes per orbit on the most circular path yet achieved by a U.S. spacecraft, ranging from 343½ to 370 miles above the earth.

## See Little Hope Of A Test Ban Treaty With Russia At Geneva; Have New Offer

By JOHN M. HIGHTOWER  
GENEVA (AP) — Exploratory talks with Soviet Foreign Minister Andrei A. Gromyko in advance of the 17-nation disarmament conference which opened today failed to open up any real hope of concluding a nuclear weapons test ban treaty now U.S. sources said.

They expressed belief, however, that it may be possible to negotiate an agreement with the Soviet Union to block the spread of nuclear weapons in the world and thus make a beginning in bringing the atomic arms race under some control.

### OPPOSE U.S. PLAN

Gromyko in the preliminary talks was reported to have stuck to the line that Western proposals for an international inspection system to verify disarmament measures amounts to a demand for espionage rights within the Soviet Union.

The present prospect is that President Kennedy's proposal for a test ban treaty with controls

will fall through and that the United States will go forward, as Kennedy has announced, with its series of nuclear tests in the atmosphere beginning in late April.

Secretary of State Dean Rusk and British Foreign Secretary Lord Home, in several sessions with Gromyko, have made no progress toward opening up real negotiations on Berlin either. Talks on the Berlin crisis will continue outside the disarmament meetings, it was learned.

**SPEAK THURSDAY**  
Rusk and Gromyko will make major policy statements on disarmament Thursday.

As late as Monday, the Russians showed an interest in cutting off the spread of nuclear weapons. Their view was set forth in letters to U. Thant, acting U.N. secretary-general.

The United States and Britain went into the conference with objectives far short of a blanket commitment to total disarmament. (Continued On Page 2)

## STATE TO PAY \$251,039 IN GASOLINE TAX

The 2,561 political subdivisions in the Commonwealth have been notified by Governor David L. Lawrence that the Department of Highways will distribute \$27,000,000 beginning April 1 as their share of the liquid fuels tax. The money will be used for construction and maintenance of streets, roads and bridges.

Boroughs and townships in Adams County with 671.46 miles of streets and roads to maintain will receive \$251,039.17.

Distribution of the 90 per cent in April was started by Governor George M. Leader in 1958 and has enabled municipalities to undertake substantial construction work during the summer months. Allocation of \$30,000,000 annually of the municipalities is authorized by Act 655 enacted in 1956, as amended by Act 8 in 1961.

### "HOME RULE ACT"

The remaining 10 per cent will be distributed in October when additional funds derived from the two cent a gallon tax increase will be included.

Act 655, also known as the "Home Rule Act," specifies that before receiving any funds local governments must submit to the Department of Highways their 1962 budget and other pertinent information relating to highway maintenance and construction projects. No matching fund is required in order to qualify for the allocation.

Allocations are based on the mileage of local roads within the political subdivision and on the population of the municipality. The formula for 1962 is \$291.93 for each mile in each subdivision and \$1.06 per capita for each person within its confines. The formula is 60 per cent on mileage and 40 per cent on population as specified in the act. Another provision directs that 25 per cent of the total allocation must be (Continued On Page 2)

## CROP CONTROL PROGRAMS HIT '61 BUSINESS, BUREAU TOLD

Noting that 1961 was the second consecutive year in which there has been a decline in total purchases by patrons, officials of the Adams County Farm Bureau Co-operative Association told members here Tuesday evening that a partial explanation is found in the fact that more than 31,000 acres of farmland in the county have been withdrawn from production by government control programs.

More than 300 persons gathered for the 28th annual meeting in the Gettysburg High School cafeteria with President Clarence J. Waybright presiding and with General Manager G. Marion Stambaugh submitting the association's annual financial reports.

Mr. Stambaugh told the Farm Bureau members 239 complete farms in Adams County are in the soil bank and total over 16,000 acres. Parts of 21 more farms involving 7,739 acres also are in the soil bank and 8,601 additional acres have been withdrawn from production under the feed-grain program.

### BUSINESS OFF \$15,000

This withdrawn acreage means 1,400 bushels less seed corn was used, 1,700 less tons of fertilizer were needed and 14,000 gallons less gasoline were required for farm tractors which would have been used on that land.

Mr. Stambaugh said those figures are reflected in the farm supply business. "The Farm Bureau did not lose all that business but it lost its share," he said. Large user programs and credit tightening also have had their effect on Farm Bureau business, he said.

The patrons' business last year totaled \$838,707, Mr. Stambaugh said. That was a 1.8 per cent decrease from the preceding year, he added. Dollarwise the drop (Continued On Page 3)

Woodin, who was introduced by County Agent Frank N. Zettle, spoke on "A Safe Supply of Water."

ment. The two big Western powers hoped the conference might achieve:

### NEW AGREEMENT

1. An accord with the Soviet Union to stop the spread of nuclear weapons—and the know-how for their manufacture—to countries which do not possess them.

2. An East-West non-aggression pact between the North Atlantic and Communist Warsaw alliances.

3. Measures to guard against surprise attack, including possibly zones of international inspection along the cold war frontiers.

that could be pilot projects for future disarmament inspection.

Agreement on these disarmament preliminaries could clear the way for the summit conference—possibly in the spring—that Soviet Premier Khrushchev is anxious to arrange. The Western powers believe such limited agreements would provide a start toward building confidence between the West and the Communist world and thus lay the groundwork for actual disarmament measures.

### "WITHOUT MY LOVE"

Without the woman I love this life . . . would be a blue abyss . . . a flower without petals or . . . the blissful dew's soft kiss . . . without the girl I honor . . . each moment would be long . . . a bird unable to fly high . . . or sing a tender song . . . without my own, my darling . . . smiles would be hard to find . . . I'd drift in life's great wilderness . . . a man without a mind . . . if fate should take her from me . . . heartaches would pave my way . . . for once two hearts are woven . . . together they must stay . . . perhaps my words sound plaintive . . . but I know deep inside . . . she is the one who keeps my soul . . . from drifting with the tide . . . and so I write my heartfelt thoughts . . . while hopes soar high above . . . this life would be a blue abyss . . . without the woman I love.

### OKAYS BUDGET

The Arendtsville borough council at its monthly meeting Monday evening at the home of the secretary, Mrs. Ann Hoffman, approved a budget of \$6,776 and voted to shut off the water of two residents for unpaid bills.

Council had authorized the improvements in anticipation of state approval for state aid but the aid was never received. The money was transferred to balance the account and a councilman noted that the money will be returned to the water account later.

A letter from Mrs. Herbert Meyer, of Cleveland, O., was read, asking information as to the burial grounds of a relative, John Bucher, Ira Cutshall, a councilman and a member of the Fairview Cemetery Assn., immediately volunteered that he was buried in that cemetery. Cutshall was instructed to write Mrs. Meyer.

At the water board meeting which followed council authorized the shutting off water of two residents if their bills are not paid in full, along with the five per cent penalty, by April 1. It was noted that these bills are from a year ago, and not the present semiannual payment.

Council approved the purchase of an adding machine if the secretary finds it meets her approval.

O. Sentz, son, Jay, all of town.

"FINANCIALLY SOUND"

Stambaugh said more stock issues may be recalled for redemption this year as was done in 1961 and he concluded: "The Farm Bureau is in a financially sound position and last year was reasonably successful." Copies of the annual operating and financial statements were distributed to the members.

Both Mr. Stambaugh and President Waybright called attention to the taxes paid by the cooperative to refute claims that cooperatives have tax advantages.

The statements showed there was \$17,502 available for local distribution on '61 business while total net savings for members were \$24,225, the lowest figure since 1957. The statement showed the association's ratio of current assets to total liabilities is 66.6 to 1.

### RE-ELECT 4 DIRECTORS

The annual election of directors was conducted and these were named: Quinn Topper, Fairfield District; Stuart Lucabaugh, New Oxford District; Kenneth Appler, Littlestown District, and James Weaver, Bonneauville. All are currently board members.

After the nominating committee report was presented by its chairman, John Diehl, there was a motion made to take the name of Kenneth Appler off the ballot on the grounds that he no longer qualifies as a farmer. President Waybright read the requirements for a director and said a majority of the board had supported Appler's nomination when the question came up there. On a voice vote, the motion was lost and balloting went ahead.

### AWARD PRIZES

Taken to Butler County Memorial Hospital was John Kaiser, 48, of Pittsburgh. Police said he appeared to be in serious but not critical condition.

Police said the Vinroe auto skidded on the wet highway and a chain reaction collision involving the other vehicles followed. Traffic was tied up for an hour.

The prize winners were Guy Funt, York Springs; Irvin Black, Gettysburg R. 1; Emory Fox, Gettysburg R. 2; Alice E. Parr, Orrtanna R. 1; Frank Shriver, Gettysburg R. 1; A. less than \$2.50 a week on orders against him.

Eugene Lawrence Hill, 225 W. High St., agreed to pay \$18 per week on two support orders.

Edgar J. Lockett, 256 S. Washington St., in court to explain an arrearage, was directed to report back April 10.

Maxine McClane, 256 S. Washington St., in arrears \$32.29, was told to pay the balance by April 10 or a process for her arrest will follow.

TO MAKE PAYMENTS

Paul C. Ramer, Orrtanna R. 1, \$136 in arrears on a \$12 per week order, was directed to pay \$29 per week until the arrearage is cleared up.

Edward E. Naugle Jr., Gettysburg R. 3, \$35 in arrears, was directed to pay \$10 per week on a \$5 order until the arrearage is cleared.

Paul Bobo, Gettysburg R. 2, was given to April 10 to clear up an arrearage. He explained he was paying \$35 per week on a car and thus got behind in payments but said he was making the last payment on the car this week.

Three men, who had been sentenced February to from two to 12 months on burglary and larceny charges arising from burglary of the Green Springs Rod and Gun Club Christmas Day, were placed on parole for six months and directed to pay costs within three months. They were Henry Philip Null Jr., 18; Mervin Gladfelter, 18, and Lloyd Overlay, 36, all of Hanover R. 5. All three had been in jail since December 30.

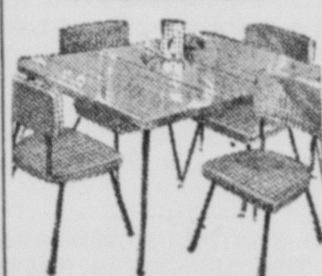

BRIGANTINE, N.J. (AP) — A woman who told her husband she wanted to clear the mud from her walk so the milkman wouldn't fall collapsed and died Tuesday.

Mrs. Ann Marteeney, 66, apparently died of a heart attack while shoveling a mound of mud deposited in front of her home by last week's storm.

Stratton St., from a general collapse and complications. Mr. Lynch came to Gettysburg in 1915 and bought the old Globe Hotel on York St., renaming it the Lincolnway Hotel. He later sold the property to Lee Hoffman and it became the Hoffman House. In 1919, he and his brother, George, bought the Eagle Hotel. A short time later he purchased the Lincolnway Inn property, west of here on the Lincoln Highway. In 1922 Mr. Lynch sold his interest in the Eagle Hotel to his brother and bought the property on North Washington St.

**Approve Apple Festival Plan:** With the cooperation of the fruit-growers of Adams County assured, the board of directors of the Gettysburg Chamber of Commerce, at a meeting held Monday evening, decided to sponsor an apple blossom festival early in May. It is planned to invite Chambers of Commerce in nearby communities to send delegations to the county for the tour of the apple belt. A committee will be named by C. A. At the same time the committee took definite action toward issuance of an attractive Lincoln Highway folder; erection of large signposts aimed to attract tour-

## Today's Talk

**RIDING THE TIDE**  
The man or woman who is making a great deal of money, with luck turning his or her way, thinks little of the chance that all may be altered in a year, a month, or a day.

And the one who is gathered up and carried away in the arms of flattery and pleasure thinks nothing of the lonely hours when the friends of fortune pass by — unacquainted in also sharing the days of disappointment and loss.

Those who ride the tide must have acclaim and notice. It is the food upon which they live. And their fortune is the fortune of others.

Only the man of character can smile at all this. He, too, may ride the tide, but he knows all too well how cheap and brief it is. And so he gathers into the storehouse of his heart and soul-life all that is fine and beautiful in the world.

And how one needs this saving when those once trusted and loved prove untrue, and the dreams of years fall shattered among the silent hours like the brown and gold leaves of autumn.

How comforting to know that when the tide of material fortune has turned, there may be someone, somewhere, who is big and strong, vital and understanding, who will take your hand and press it with a silent language that only hearts are able to translate.

But when that someone isn't hid away in your life, what a little world, how futile all the gold and glitter.

Don't envy those who ride the tide. Smile as a spectator!

## Just Folks

**THE TOOTH AND THE FAIRY**  
I've just tip-toed to her room,  
Groping softly in the gloom  
For her pillow where she lies  
With her heavy-lidded eyes,  
And her chubby arms outspread  
Just above her little head.  
I've been careful not to make  
Any noise lest she might wake.

Softly moved my hand around  
Till the thing I sought I found;  
Till pearl of perfect white,  
Difficult to find at night —  
More so, when too great a stir  
Would disturb the dreams of her  
And disclose the dreadful truth  
It was Dad who took the tooth.

But I've captured it in time,  
And I've left the shining dime  
In its place, and she will rise  
With exultant, happy eyes,  
And she'll praise that fairy good  
All around the neighborhood.  
These are surely happy times  
Trading baby teeth for dimes.

ists onto the highway through "feeder" routes from other cross-state highways and planned to do everything possible to obtain as much new construction work as public highway funds will permit.

Preceding the meeting the committee members were guests of Henry M. Scharf at luncheon. Herbert L. Grimm is publicity director of the organization and a director representing Gettysburg Ten communities along the Lincoln Highway between Pittsburgh and Philadelphia had already contributed, York being the highest contributor with a total of \$1,852. Members of the committee were at a loss to know why Gettysburg has not contributed anything to the fund so far. Local members of the committee pointed out that the fact that a reorganization of the local Chamber of Commerce was in progress delayed action locally.

## Pharmacy Board Delays Decision

**HARRISBURG (AP)** — Once again, the State Pharmacy Board has failed to come up with a decision on whether to allow Bazaar Pharmacy, Inc., to operate an outlet in a Delaware County discount center.

"Action on the application has been postponed until such time as all the members of the board can arrange to be present," Chairman Daniel E. Snyder of Philadelphia said Tuesday after the board's March meeting.

Only Snyder, Mrs. Dorothy W. Williams of Mahanoy City and Vice Chairman Harold Blid of McKeesport were in attendance. Absent were former Chairman Sol S. Turnoff of Philadelphia and Dominic Manganello of Wilkes-Barre.

The meeting marked the third straight time action on the controversial application had to be put off because of Turnoff's and Manganello's absence.

The Bazaar application has been pending for more than a year. The firm seeks to operate a pharmacy in the "Bazaar of Nations" discount center in Clifton Heights.

## WINTER SETS NEW RECORD IN MIDWEST

**By ROBERT GOLDENSTEIN**  
**CHICAGO (AP)** — Those Midwesterners who were delighted when enough snow fell to make a white Christmas miscalculated winter's whim. That snow is still around, only now it forms that bottom layer of a grayish ice pack that covers much of the Midwest.

The winter of 1961-62 will go down as one of the most concentrated mixtures of snow, cold and gloom in the Midwest's record books.

One Chicago television weather commentator remarked the other night in forecasting more snow: "I wish I could see the sun. Not so much for myself, because I have seen it. But I have a 12-year-old son."

**FEBRUARY RECORD**  
It hasn't been that bad, of course, but February set an all-time record for any month in Chicago for the least amount of sunshine—only 21 per cent of the amount possible.

January and March so far — with spring's arrival a week away — haven't been much better.

This winter has been marked by a steady procession of snow storms moving eastward from the Rockies, usually followed by a surge of arctic cold and occasional brief periods of thawing.

This has created a winter-long snow and ice cover that has ranged from a few inches in some sections to three feet in northern Michigan.

**FEAR FLOODS**  
It poses the danger of serious floods if mild weather arrives suddenly.

Blizzards in northern areas stranded travelers, closed thousands of rural and city schools, isolated whole towns, blocked main highways, disrupted sports schedules and prevented public gatherings.

The subzero cold created the worst conditions for cattle feeding in a quarter century. Zero temperatures usually hold weight gains of feeding cattle to half the normal rate.

Minneapolis-St. Paul, Minn., has had 77.2 inches of snow so far this winter—only 10.8 inches shy of the record—and 48 days of zero or below compared with the record 50 days in 1935-36 and one prior winter.

**NEAR RECORD**  
Chicago has had 57.1 inches of snow—9.3 inches shy of the record.

Omaha, Neb., has had subnormal temperatures and above normal moisture from November to March.

The northern tier of counties in Missouri report the most snow and coldest December and January temperatures since the mid 1930s.

Some residents of Houghton, Mich., where the snow cover is three feet deep and drifts six feet high, have solved their snow problems the easy way. They have stairs that lead to their second-floor windows.

Iowa reported the snowiest and coldest weather in several decades. Many cities reported record snowfalls.

Because of the severe cold, navigation in the upper Great Lakes probably will not get under way until after the normal April 15 opening date. The upper lakes are 80-95 per cent covered with ice ranging from 18 to 36 inches thick.

SIMEON

"And, behold, there was a man in Jerusalem, whose name was Simeon; and the same man was just and devout, waiting for the consolation of Israel . . ."  
— Luke II: 25

Like most devout Jews of his day, Simeon had long awaited the coming of the Messiah who would deliver Israel from alien domination, and usher in a new age. In long nights of prayer and vigil, he meditated upon the words of the Prophets, who had foretold the advent of the Anointed One.

Daniel, who had pointed to an exact time and place of His arrival. Haggai and Malachi, who had said that He would appear before destruction of the Second Temple in Jerusalem. Micah, who foretold that He would be born in Bethlehem; and Isaiah, who predicted a virgin birth.

"O Lord," prayed Simeon, fearing that his life was drawing to its close, "let me not see death until I have looked upon the Deliverer."

And wisdom's single eye, which pierced the mind's dark veils, looked upon a vision which revealed to Simeon the fulfillment of his desire.

So he followed the guidance extended him "by the Spirit," and entered the Temple that day as Joseph and Mary came with the Infant Jesus "to do for him after the custom of the law."

When he looked into the radiance of the Child's face, the joy of recognition leaped like a flame in Simeon's breast. And with the parents' consent, the old man "took Him up in his arms, and blessed God, and said:

"Lord, now lettest thou thy servant depart in peace, according to thy word: for mine eyes have seen thy salvation, which thou hast prepared before the face of all people."

This beautiful hymn—thanksgiving for rewarded faith—was to be repeated ever afterward by those who had caught a glimpse of the same radiance in the long twilight of their mortal years.

## Striking Workers Go Back To Work

**NEW YORK (AP)**—The last of some 20,000 striking members of the International Ladies Garment Workers Union were told to return to work today following settlement of a week old dispute over piece rates.

The workers, employed at dress manufacturing shops in New York, Pennsylvania, New Jersey, Connecticut and Delaware, struck last week.

They have gradually been returning to work as agreements were reached with individual shops. The remaining strikers were ordered back Tuesday night after the final agreement was reached. Details of it were not disclosed.

## Ed Kennedy To Hold Conference

**BOSTON (AP)** — Edward M. Kennedy, youngest brother of the President, has called a news conference for 9 a.m. today at which he is expected to announce his candidacy for the U.S. Senate.

Kennedy is expected to seek the Democratic nomination for the post which was held by President Kennedy before he was chosen as the nation's chief executive.

Massachusetts Atty. Gen. Edward J. McCormack Jr., nephew of House Speaker John W. McCormack, D-Mass., already has announced his candidacy.

## Nixon Says He Was Asked To Leave Vice President's Race

**NEW YORK (AP)**—Richard M. Nixon says he was advised just before he went on nationwide television in 1952 to defend his much-debated political fund that he wasn't wanted as Gen. Dwight D. Eisenhower's running mate in that year's presidential campaign.

He says he was told that Eisenhower and his top advisers wanted him to announce on the air his resignation as the Republican vice presidential candidate.

The two-time vice president adds that a subsequent misunderstanding with Eisenhower made him so angry that he actually dictated a telegram of resignation to the Republican national chairman. The telegram was destroyed by an aide, he says.

Nixon recounts these and other incidents in a book, "Six Crises," to be published by Doubleday & Co. on March 29. The first of three installments being published by Life magazine appears this week.

Eisenhower, sought for comment, is on a fishing trip in the Baja California region of Mexico and won't be back before next weekend, his secretary at Palm Springs, Calif., said.

Nixon said the political fund was "set up by my supporters

in California to pay expenses for travel, printing and mailing of speeches, and extra clerical help — expenses which were strictly political and for which, therefore, I could not properly be reimbursed by the government." He was then a senator from California.

## TALKED OUT OF IT

Nixon wrote that when some newspapers editorially urged him to submit his resignation as the vice presidential aspirant, he got no direct expression from Eisenhower and considered resigning at one point. But he said his wife, Pat, talked him out of it.

Nixon said that former New York Gov. Thomas E. Dewey and his own advisers suggested he take the situation to the American people via television. On the Sunday before the Tuesday telecast, he added, Eisenhower phoned him and said: "Good luck and keep your chin up."

But, said Nixon, "barely an hour before I was scheduled to leave for the TV studio a call (from Dewey) came through to my suite. From the tone of his voice, I could sense immediately that Dewey did not have his heart in what he had to tell me.

## TOP ADVISORS MET

"There has just been a meeting of all of Eisenhower's top advisers," he (Dewey) said. They have asked me to tell you that it is their opinion that at the conclusion of the broadcast tonight you should submit your resignation to Eisenhower. As you know, I have not shared this point of view, but it is my responsibility to pass this recommendation on to you."

Nixon said he was shocked and asked: "What does Eisenhower want me to do?"

"Dewey hedged at this point," Nixon added. "He said he did not want to give the impression that he had spoken directly to Eisenhower or that this decision had been approved by Eisenhower. But he went on to say he was sure that, in view of the close relationship between those whom he had talked and Eisenhower, they would not have asked him to call unless this represented Eisenhower's view as well as their own."

## "YOU'RE MY BOY"

A spokesman for Dewey said Tuesday Dewey had not read the Nixon remarks and could not comment.

At the end of his broadcast, Nixon told his listeners that he felt he should not quit but that he would leave the decision to the Republican National Committee. He urged his audience to wire or write the committee as to what it should do.

Nixon said he did not learn immediately that Eisenhower had praised him for his performance and that the general wanted to meet him the next night in West Virginia. It was in the absence of this knowledge that he dictated the telegram which the aide destroyed, he said.

Soon afterwards, friends claimed Nixon down and he flew to Wheeling, W. Va., where Eisenhower greeted him with the now famous endorsement: "You're my boy."

Nixon, the unsuccessful Republican candidate for president in 1960, now is a candidate for the Republican nomination for governor of California.

## SUGGEST CURE OF HICCUPS: JUST "RELAX"

**By THE ASSOCIATED PRESS**  
A pain chemical, remedies for hiccups, and the role of eye color in skin diseases are subjects of medical inquiry.

## Why Pain?

Scientists believe they have isolated the main chemical in the body responsible for producing pain. Named neurokinin, it was extracted from areas of skin which had been intentionally injured.

Injected into normal skin sites, neurokinin produces pain and inflammation, report Dr. Loring F. Chapman and associates of the University of California at Los Angeles. Neurokinin may be released by nerves in the injured area, thus lowering pain thresholds, Dr. Chapman says.

## Banishing Hiccups

Just about everyone has his sure-fire remedy for hiccups.

The most important thing, though, in stopping them is to relax, says Today's Health magazine, and its experts offer other tips.

For babies, give them sips of warm water, hold the child, and pat his back.

In older children and adults, one of the best remedies is to lie down and relax.

It can also be helpful to drink water slowly; breathe in and out into a paper bag to raise the level of carbon dioxide in the blood; and if an upset stomach brought on the hiccups, take a teaspoonful of baking soda in water.

## Eye Color and Skin Disease

Persons with brown eyes seem to be afflicted more often than others with skin diseases due to inheritable allergic tendencies, says Dr. Robert G. Carney, University of Iowa dermatologist.

In two studies based 10 years apart, he and associates noticed that almost two-thirds of patients with atopic dermatitis, the familiar type of skin ailments, had brown eyes. Dr. Carney made other comparisons between eye color and incidence of the skin ailments, and found the same thing still true.

Eye color may serve as a rough index of skin pigmentation, he says. The skin of dark-skinned persons perhaps tends to become leathery and hardened, and more susceptible to ailments than that of lighter-skinned individuals.

## SHOT NO DUCKS

**FARGO, N. D. (AP)** — Richard H. Rufer, 26, chalked it up as "my bad day" when he went duck hunting. In rapid order: he got soaked helping his dog which was attacked by a beaver, was stopped for speeding, couldn't find his driver's license in his hunting clothes and was notified he was being recalled to duty with his National Guard unit.

## Tigers Hitting Ball Well To Make Them A.L. Threat

By ED CORRIGAN

Associated Press Sports Writer

It has taken Manager Bob Scheffing of the Detroit Tigers just four days to figure out the club's main strength if it is going anywhere in the American League pennant chase this year.

Just as in the 1961 season, the Tigers are going to rely on their hitting punch to pull them over the humps. Last year the Bengals led the league in batting with a .263 average compared to .261 for Cleveland.

They also produced the league's two top hitters, Norm Cash at .361 and Al Kaline at .324. Also around was Rocky Colavito, who had 140 runs batted in and 45 home runs.

Now, in four exhibition games, the Tigers have clubbed 46 hits, an average of more than 10 a game and enough to put fear into any pitcher's heart.

### WON 3RD GAME

The Tigers won their third in four games Tuesday, polishing off the St. Louis Cardinals 7-1 at St. Petersburg, Fla. They broke the game open with five runs in the seventh inning. Four of them came as a result of home runs by pinch hitter Bubba Morton and rookie Fernal Goidy.

The Los Angeles Dodgers, Chicago Cubs, Chicago White Sox, and Cincinnati Reds also won their games using home runs as the big blow.

The Dodgers clobbered the Milwaukee Braves 10-5 at Bradenton, with the Davis boys, Tommy and Willie, batting in seven runs with homers. Tommy's was a grand-slam job, and Willie's came with two on.

### 7 UNEARNED RUNS

Rookie Ken Hubbs, Ernie Banks and George Altman all homered for the Cubs in a 12-7 triumph over the San Francisco Giants at Phoenix. Seven of the Cubs' runs were unearned as a result of five Giant errors. Felipe Alou and rookie Manuel Mota homered for the losers. Mota's was his third in as many games.

Floyd Robinson had a three-run homer that provided the difference in a 5-2 White Sox decision over the Philadelphia Phillies at Clearwater. He also whacked a couple of doubles and a single.

Jerry Lynch and Vada Pinson hit solo homers in Cincinnati's 4-3 victory over Baltimore in a night game at Miami.

The world champion New York Yankees won their fourth straight, defeating the Minnesota Twins 4-2 at Fort Lauderdale.

The Yanks now are the only major league club that hasn't lost an exhibition game. Ralph Terry and Bill Stafford combined for a four-hit pitching performance.

**METS WIN THIRD**

The New York Mets — the Amazin' Mets now — won their third straight, racing past the Pittsburgh Pirates 4-0 behind the two-hit pitching of Roger Craig and Evans Killeen at Fort Myers.

The Houston Colts, the other new National League team, won their first game, beating Cleveland 2-1, with Jim Emrich, Jim Golden and Manuel Montejó handling the pitching chores. Don Schwall and Dave Busby, Boston's University of Oklahoma pitching whizzes, tossed three scoreless innings each in the Red Sox's 3-2 victory over the Los Angeles Angels at Palm Springs, Calif.

The Kansas City A's won their third straight, defeating the Washington Senators 5-1.

## GALLATIN IS HAWKS' COACH

By JIM VAN VALKENBURG

Associated Press Sports Writer

ST. LOUIS (AP)—Harry Gallatin hopes to bring St. Louis back to title contention in pro basketball with a little help from the college draft, a trade or two, and a large measure of his own "fighting, feuding and fussing creed."

The one-time iron man of the New York Knickerbockers was named coach of the Hawks Tuesday by owner Ben Kerner. Gallatin insisted the club's future was not dark, but made it clear his job largely will be to "make the best of what we have."

Gallatin was an all-out bruising competitor through 10 seasons in the National Basketball Association. He showed he could infuse players with his own fiery spirit in a highly successful 4-year term at Southern Illinois University.

### 3 ARE SAFE

Gallatin wouldn't discuss trades but it's generally believed only Bob Pettit, Cliff Hagan and Len Wilkens are safe from trades. The Hawks skidded to fourth place in the Western Division this season after five straight division titles.

Paul Seymour was fired after the first 14 games amid reports of club dissension and Fuzzy LeVane replaced him on an interim basis. Pettit will continue as player-coach the last two games with Gallatin taking over after SIU finishes play in the NCAA College Division tournament.

## INTERLEAGUE PLAY TALKED ABOUT AGAIN

By JOE REICHLER

Associated Press Sports Writer

VERO BEACH, Fla. (AP)—Don Drysdale, the pitcher, and Lee Walls, the outfielder who sometimes plays third base, were dressing in the Los Angeles Dodgers' clubhouse when a wandering reporter sauntered in.

"Hey," shouted Drysdale, "how do the Yankees look?"

Drysdale didn't wait for a reply. "All they're doing, I'll bet is sitting around and figuring out how much money they are going to make in the World Series. They're just waiting to see which team wins in the National League."

"That's right," agreed Walls. "They're a good team but I wonder how good they really are. Are they better than we are, for example? I've heard Mickey (Mantle) say a number of times he was glad Cincinnati won the pennant last year. He didn't want to face the Dodger pitching."

**WANT INTERLEAGUE**

"I would like to pitch to Mickey and Roger (Maris) and all those other Yankee hitters," observed Drysdale. "I'm not saying I can get them out but it would be interesting to see what would happen."

"That's why I would like to see interleague play during the regular season," he said. "I think it would be the best thing for baseball. They talk about doing something to add interest to the game. Each of the 10 National League teams would play a six-game series with each of the 10 American League clubs, three at home and three away. That makes 60 interleague games. The teams of the same league would play each other 12 times a season. That's 108 and a total of 168 games. I think it would be great."

"The Yankees would have a heck of a lot tougher time in our league," remarked Drysdale.

"You can bet on that," said Walls. "They'd be a contender, all right, but no sure thing to win the pennant."

## Ben Hogan Makes 1st Appearance

MIAMI, Fla. (AP)—Ben Hogan, four-time U.S. Open golf champion, will make his first competitive appearance of 1962 in a \$50,000 tournament in Miami March 22-25.

Doral Country Club golf director Otto Fenias said Hogan telephoned him Tuesday from West Palm Beach and said he would play.

Hogan ordinarily limits his tournament golf to three events a year—the Masters, the U.S. Open and the Colonial in his home town of Fort Worth, Tex.

## NFL Asks Court To Dismiss Charge

BALTIMORE (AP)—The National Football League was prepared to argue today that "half-time ceremonies" in a federal court antitrust suit should constitute the end of the game.

The NFL and 11 of its teams are defendants in a 10 million suit filed by the American Football League and its member teams. The AFL accuses the older loop of monopolizing professional football.

The trial, now in its third week, reached a mythical halftime point Tuesday when the AFL finished presenting its case. NFL attorneys immediately filed a motion for dismissal and were to argue the motion today before Chief Judge Roszel C. Thomsen, who is hearing the case without a jury.

The motion contends the AFL has failed to prove that the NFL has power to exclude competing professional teams from either local or national markets.

## WARNER, WHO ELSE, LEADS CAGE SCORING

Ron Warner, York, Gettysburg College's all-time scoring ace, copped the majority of the Bullets' basketball records throughout the 1961-62 season. Gettysburg rolled up an 18-8 slate during the past year for one of its best performances in history.

Warner rammed through 657 points, the third straight year in the 600 point bracket, for a 25.3 average in the 26 games. He hit on 244 of 479 goals for 51 per cent and 189 of 206 free throws for 92 per cent. He was the second leading rebounder on the squad with 183 grabs and a 7.0 average. The only phase of the game that Warner was not tops was rebounding. Bruce Simpson, Sunbury, walked off with 190 grabs for a 7.3 average.

During his three years of varsity competition, Warner either tied or broke 17 Gettysburg records. He also broke an NCAA foul shooting mark during the past season, connecting on 22 of 22 against St. Joseph's in Philadelphia.

Bob Parker, Yeadon, Warner's backcourt mate, was runner-up in the scoring department with 390 tallies for a 15.0 average.

Simpson, Parker and Warner, starters since their sophomore year, are all seniors.

## Lehigh Selects Warner, Parker

BETHLEHEM — Lehigh University's varsity basketball players have selected court stars from five Pennsylvania colleges to their 1961-62 all-opponent first team.

Ron Warner, Gettysburg's senior guard, and Gene Harris, Penn State's senior forward, were unanimous choices in the poll. Warner, who was named the outstanding player to face the Engineers, scored 54 points against Lehigh in two games, while Harris netted 21 in the single meeting between the teams. This marks the third straight year that Warner has been selected by the Lehigh players.

Rounding out the first team are Bruce Drysdale of Temple and Harry Lundy of Lafayette, both seniors, and junior Tom Wynne of St. Joseph's, champions of the Middle Atlantic Conference.

Lehigh's all-opponent second team is composed of junior Nate Cloud and sophomore Dave Sisko of Delaware, sophomore Frank Corace of LaSalle, and seniors Bob Parker of Gettysburg and Bob Duffy of Colgate.

## Strouse Is Top Freshman Scorer

George Strouse, Norwich, Conn., set the pace for John Carpenter's Gettysburg College freshman basketball team by pouring in 481 points in the 21-game schedule for a 22.9 average.

Strouse also led the team in field goal attempts, making 199 of 449 shots for 44 per cent, and free throws, connecting on 83 of 112 shots for 74 per cent.

Roger Ecker, a home-grown product, was the team's leading rebounder with 176 grabs and an 8.4 average. Strouse finished second in the rebound department with 142 while Charles Gault, Mechanicsburg, netted 123.

The Bullet frosh ended the season with an 11-10 record.

## Ball Team Makes Plans For Season

The McSherrystown Athletic Association baseball team held its regular monthly meeting Tuesday evening in the McSherrystown fire hall.

Manager Flavian Smith made his report. It was announced that Steve Krichten will again be the caretaker for the field. It was also reported a cement block concession stand will be erected and the backstop rewired.

Smith was authorized to order the necessary equipment.

## MOUNT CAGERS FLY WEST FOR NCAA TOURNEY

Coach Jim Phelan and his Mt. St. Mary's College basketball squad emplaned from Washington, D. C., this morning for Evansville, Ind., where they will meet Wittenberg, Ohio, defending NCAA small college champion, in a quarter-final national tournament game on Thursday afternoon at 4:30 o'clock.

Captain Dick Talley of the Mountaineers may be side-lined due to an infected right elbow. The 6-5 Senior, who has scored 1,353 points in his career, has been taking penicillin shots to reduce the swelling. Coach Phelan has indicated if Talley is unable to play he will use Jack Campbell, a 6-5 Sophomore.

The Mountaineers, 21-6, are riding on the crest of a seven-game winning streak. They snared the Mason-Dixon Conference title and followed by capturing the eastern regional honors with victories over Albright and Hofstra.

This will mark the second straight year the Mount has advanced to the Evansville tournament and third time in the six-year history of the tourney. Last year the Mount bowed to Wittenberg 65-49 after defeating Austin Peay 96-78. Their previous visit was in 1957 when Jack Sullivan set tourney records which still stand. Mt. St. Mary's has never finished lower than fourth in the tournament.

In other quarterfinal games on Thursday Northeastern meets Southern Illinois, Sacramento State faces Valparaiso, and Southeast Missouri opposes Nebraska Wesleyan. Semifinal games will be played Friday night with the championship affair on Saturday.

## CARLISLE HI NEW DISTRICT CAGE TITLIST

Carlisle High School, standard-bearers of the now defunct South Penn Basketball League, fought off a second half comeback by York to edge the Bearcats 48-45 and captured the District 3, PIAA Class A title Tuesday evening at the Hershey Sports Arena before about 8,000 fans.

The Thundering Herd, unbeaten in 23 games this season, ripped off to a 16-3 lead in the first six minutes of the opening period and held a comfortable 32-18 margin at half time.

Don Cockley, former Gettysburg College athlete, got his York team fired up during the intermission and the Bearcats slowly out their deficit, moving ahead for the first time midway in the final period at 44-42. York was on top 45-43 with 55 seconds remaining when Dave Lebo landed a jump shot to knot the count and Doug Boomer-shine swished a rebound with 20 seconds left. Lebo looped a foul for Carlisle with six seconds left.

Carlisle will now meet Norristown, District One titlist, at Hershey on Friday evening.

## Bulletes Close With 43-16 Win

The Gettysburg College girls' basketball team pulled down the curtain on its 1962 campaign by blasting the Moravian coeds 43-16 on the Eddie Plank gym floor Tuesday afternoon in a make-up game of an earlier postponement.

The Bullettes jumped to a quick 18-5 lead after the first period and had little trouble from that point. Miss Shirley O'Day utilized her bench strength throughout the entire contest. Peggy Steeley paced the Gettysburg girls with 18 tallies, 11 coming in the third quarter. Virginia Havens was runner-up with 14. Miss Steeley is a Freshman playing her first full season of varsity competition. Ann Dickman paced the losers with eight tallies, six scored in the final frame.

Miss O'Day, in her second season at the Bullette helm, registered an enviable 9-1 record compared to the 6-4 mark recorded a year ago. Her junior varsity squad, which completed the season a week ago, came up with a 7-1 mark.

All members have been asked to report to the field this Saturday as a work detail.

Attending the meeting in addition to Smith were Ron Asper, president; Daniel Greenholt, secretary-treasurer; Kenneth Sanders, Bob Lehigh, Pete Lehigh, Robert Groff, Bernard Bevenour, Harry Keefer and Dave Lefevre.

## Kilrea Takes Lead In AHL Scoring

By THE ASSOCIATED PRESS

Brian Kilrea held a slim one-point margin over his Springfield Indians teammate, Bill Sweeney, today in the race for the American Hockey League scoring championship.

Kilrea fired home a goal and two assists Tuesday night in the Indians' 4-3 victory over the Quebec Aces. That gave him 90 points.

Sweeney was held scoreless. Kilrea now shows 20 goals and 70 assists for his season's work compared to 31 goal and 58 assists for Sweeney. The Indians have seven games left.

The loss was a critical one for the Aces. It left them tied with Providence for the third and final playoff spot in the Eastern Division. Each has 62 points with six games to go.

While the attention focused on Kilrea and Sweeney, Kent Douglas emerged the big man for the Indians, scoring one goal and getting three assists for four points. Jimmy Anderson and Billy McCreary scored the other Indian goals, while Jean Cossette, Jim Morrison and Guy Rousseau notched the Quebec goals.

No other games were played.

## MAY VACATE HEAVY TITLE

PITTSBURGH (AP) — The Championship Committee of the National Boxing Association is going to vote on whether Floyd Patterson's heavyweight championship should be vacated.

Patterson had until midnight Tuesday to announce that he'll defend his crown against a challenger approved by NBA. No announcement was made.

Paul Sullivan, chairman of the committee, said he would mail out ballots to members of the committee today. Final action will be taken by the NBA executive committee.

The champ has been discussing a possible title match with Sonny Liston. However, no announcement was made one way or the other.

Under NBA rules a champion must defend his title against an approved challenger within a year after his last defense. Patterson fought Ingemar Johansson March 13, 1961.

He defeated Tom McNeely since then, but McNeely was not approved by the NBA.

## Celts Set Record; Look To Playoff

By THE ASSOCIATED PRESS

The incomparable Boston Celtics—another National Basketball Association record in their pockets — already are turning their thoughts toward a more important matter.

They would be going after their fourth consecutive NBA championship.

For Boston the regular season is over. The Celtics closed out their 80-game schedule in convincing manner at Boston Garden Tuesday night, trouncing Syracuse 142-110 and breaking their own record by registering victory No. 60.

Boston set the old mark for wins in a season two years ago, winning 59 and losing only 16 during a 75-game schedule.

In the other games Tuesday night, Chicago downed St. Louis 124-118 and Los Angeles topped Cincinnati 120-111.

The Celtics now must sit back and see which team they will face in the best-of-seven Eastern Division championship playoff, which is the NBA semifinal.

## Pipers Two Games From East Crown

By THE ASSOCIATED PRESS

The Cleveland Pipers, clinging to a chance of winning the Eastern Division title in the American Basketball League, were only two games off the pace today.

The Pipers whipped the Chicago Majors 110-101 Tuesday night in an all-or-nothing game. Had the division-leading Majors won, Cleveland would have fallen three games back with little chance of catching up.

Now the Majors are only a half-game ahead of the idle Pipers. In the only other game of the night, the New York Tapers came from a 12-point halftime deficit to crash the Hawaii Chiefs 102-98.

## Czech Is Early Skating Leader

PRAGUE (AP)—Karol Divin of Czechoslovakia today established an early lead after the first of six compulsory figures in the 1962 World Figure Skating Championships.

Divin scored 169.2 points for a narrow advantage over Canadian champion Donald Jackson who had 166.8.

American champion Monty Hoyt, 17, of Denver hit his marks ranging from last to third, was 13th in the field of 18 with 133.6. Scotty Allen, of Butler, N.Y., 13-year-old United States runner-up, was 15th with 131.2.

## JIMMY DYKES SEES YANKEES AS REPEATERS

By JACK HAND

Associated Press Sports Writer

BRADENTON, Fla. (AP)—Jimmy Dykes should be the greatest living authority on the American League. He played in the league from 1918 through 1939 and managed or coached teams in it from 1934 through 1960 with a couple of side excursions to the minors and the National League.

Back in the National League as a coach under Manager Birdie Tebbets of the Milwaukee Braves, Dykes at 65 is free to say anything he wants about the American League. As he managed Cleveland Detroit in his most recent tours of duty, his opinion on their chances of beating the New York Yankees should be enlightening.

"There is nothing close to the Yankees," said Jimmy. "They say they don't have any shortstop with Tony Kubek in the Army but there isn't any shortstop in the league better in young (Tom) Tresh and (Phil) Linz."

### DETROIT SECOND

"Detroit has got to be the best of the rest. They should give the Yankees their toughest battle. The Tigers have pitching with (Frank) Lary, (Jim) Bunning and (Don) Mossi. Mayte (Paul) Foytack will come through for them. I am afraid Sam Jones won't be as much help as they hope for."

"Cleveland could have some real good pitching with (Gary) Bell, (Barry) Latman, (Jim) Perry and (Dick) Donovan. They have a young kid, Sam McDowell, who looks like a real good one. He shut out Baltimore last year for 6 1-3 innings until he broke two ribs in his right side while pitching."

"The Indians lack power. Of course, Willie (Kirkland) will hit some out of the park. They'll miss the fellow in center field (Jimmy) Piersall, traded to Washington. Young Ty Cline can handle center defensively but he can't hit enough. Tito (Francona) is consistent but Woody Held is erratic."

"But, like I said, there is nothing close to the Yankees."

## Kennedy Asks \$4,878,500,000 For His Foreign Aid Program

By DOUGLAS B. CORNELL  
WASHINGTON (AP)—President Kennedy formally submitted a \$4,878,500,000 foreign aid program to Congress Tuesday. He insisted every dollar is vitally needed to combat threats of communism, chaos and tyranny in other lands.

Kennedy drew a line against cutting the appropriation in a special message to Capitol Hill. Members of Congress always are inclined to cut the vast program—and show little inclination to break the habit this time.

Some of the appropriations require authorizing legislation. Hearings get under way Wednesday before the House Foreign Affairs Committee.

**ECONOMIC HELP**  
Except for fresh words of persuasion, the presidential message generally follows in all essentials the 1963 fiscal year already presented in Kennedy's budget and State of the Union message.

The President proposed \$3,378,500,000 of appropriations for economic help and \$1,500,000,000 for military assistance, to make up the \$4,878,500,000 total.

Last year he asked for a total of \$4,806,000,000 and got only \$3,914,500,000—a reduction of \$891,500,000. Congress provided \$2,314,500,000 for economic aid and \$1,600,000,000 for military aid.

Expenditures, which always trail behind appropriations, would go up from an expected \$1,935,000,000 to \$2,235,000,000 for economic assistance for the 1962 and 1963 fiscal years. Those for military aid would remain unchanged at \$1.4 billion for each year.

**"URGENT NEEDS"**  
Kennedy said his recommendations are based on careful examination of urgent needs. The amounts in every category, he said, are essential to achieving

the goal of strengthening developing countries to meet the stress of rapid change and to "repel Communist efforts to exploit such stress."

Contending that slashes by Congress would be hazardous, the chief executive said: "We should know by now that where weakness and dependence are not transformed into strength and self-reliance, we can expect only chaos, and then tyranny, to follow."

The only major change in the aid program this year had been announced previously. This is a request that Congress authorize a \$3 billion fund to be used over the next four years for the Alliance for progress in Latin America. Kennedy asked Congress to appropriate \$600 million of the total for the coming year and said about \$500 million would go to loans and \$100 million to grants.

### A Lovelier You

By MARY SUE MILLER  
**DIET TO GO.** A lovely mother writes: My teen daughter carries her lunch to school. Neither of us has time to prepare anything more complicated than sandwiches. What kind have the

fewest calories? My daughter is too plump to be pleased about it. The answer: Many teens, and career girls, too, are faced with the sandwich-for-lunch problem. Its threat to weight can be overcome by using protein bread and low-calorie fillings.

For example, the usual tuna salad sandwich runs around 385 calories. Although nutrition packed, this one adds up to only 205 calories:

Combine 7-oz. can tuna, well drained, with one-half medium chopped green pepper, two stalks diced celery, one chopped green onion, one-half teaspoon minced parsley, one-half cup tomato sauce, salt and pepper to taste. Cover protein bread with lettuce leaves before spreading on filling. (Makes four sandwiches. Allow two for weight-watching teens, one for adults.)

As a second suggestion: Spread protein bread with French-type low-calorie dressing; fill with two thin slices leftover meat or fowl, two slices tomato and lettuce. (Calorie count is 291, a cut of some 90 calories over customary recipes.)

The "makings" for numerous calorie-saving sandwiches can now be found at supermarkets and groceries. Browse among the shelves and you are sure to get a basketful of ideas.

Do you really know the calorie counts of the foods you eat? Our new booklet, **POCKET CALORIE COUNTER**, tells the score at a glance. It also gives a diet plan—a way to eat and slim. For your copy, write Mary Sue Miller, Box 158, The Gettysburg Times, Dundee, Ill., enclosing a long, self-addressed, stamped envelope and 10c in coin.

### Kills 3 Children And Then Suicides

LEWISTON, Maine (AP)—An unemployed woodsman, separated from his wife, shot their three children to death and then took his own life early Tuesday, police said.

He was identified as Willis Olson, 41. The children were Annie, 12; Archie, 9, and Andy, 5.

Medical Examiner Merrill S. F. Greene called the killings a triple murder and a suicide.

### BOYLE'S Grab Bag

By HAL BOYLE  
NEW YORK (AP)—Do you want to marry a really wealthy woman?

Many poor but honest young men today say they do.

But the empty-pocketed young fellow who yearns to throw in his marital lot with a financially loaded lady just doesn't realize the trouble he's in. No poverty of purse is as hard for a real man to bear as the spiritual poverty that comes with being a rich woman's toy.

Let me give you a true-life example. Only the names and a few circumstances have been changed.

Mark was a big, handsome, gay, witty, charming young fellow. Smart, too. The executives in his business firm saw a real future for him.

### POSSESSIVE, RICH

Then Dolly met him. Dolly was beautiful, possessive and rich. Not just ordinary rich. Real rich.

Mark and Dolly fell deeply in love. And Dolly, who always got what she wanted, decided that what she wanted most was Mark. Finally, she bluntly asked him why he hadn't proposed.

He explained he couldn't support her in the way she liked to live. "What's money?" she asked lightly. "I've got more than we could spend in 10 generations."

She kept after him and so, despite Mark's qualms, they were married.

Mark kept on working. But after a year the life of a housewife began to bore Dolly. She liked to travel. She talked Mark into quitting his job, gave him a big checking account of his own so he'd have a feeling of freedom.

Soon they were moving solely in Dolly's fast international set. Mark seldom saw any of his old friends.

Some years later I traveled to a city in which they had one of their mansions. Mark drove up and beeped the horn of an expensive cream-colored convertible.

"Dolly gave it to me for my birthday," he said.

Mark looked tired, heavier and dissipated. He explained he had developed chronic ulcers. On the drive to his home he said he was desperately unhappy, that his wife's money had become a burden, that he felt he had lost his own self-respect and the respect of others.

When I asked him why he didn't get a divorce, he said, "I'm still in love with Dolly."

**"GAY EVENING"**  
The three of us had a gay evening at a night club. But Mark danced with a woman Dolly didn't like, and there was a bitter quarrel on the way home.

I was preparing to leave the next morning, and Mark came into my room wearing the expression of a whipped dog. He said he'd ride to the airport with me in a cab.

"I thought you were going to drive me in that fancy new convertible," I said, surprised.

"I can't," said Mark. "Dolly took it away from me this morning—for dancing with that woman last night."

It wasn't many months after that I read of Mark's death. Somehow it didn't startle me. It was the only way Mark could escape the misery that went with Dolly's money.

### F. ROBINSON STRIKES BACK AT PITCHERS

TAMPA, Fla. (AP)—Frank Robinson, a favorite brushback target for National League pitchers, blasted a few line drives up the middle in his own defense Tuesday.

"Any fellow that feels he has to throw at somebody in order to get him out, ought to get out of the game," said Cincinnati's star outfielder "and the National League's Most Valuable Player."

"I don't mean brushback pitches. Any hitter can tell the difference between a brushback and a ball thrown deliberately at him. I do give the pitchers a margin of error but when their pitches 'slip' too many times, I blame the pitcher."

### WILL CONTINUE

"They have been knocking me down ever since I got in this league and I suppose they will continue, trying to make me back up and change my stance."

"Others stand just as close as I do but they don't get knocked down as much. The Dodger pitching staff as a team gives me the most trouble that way. It's normal to brush me back, trying to keep me honest. But throwing at a batter is something else."

Robinson was hit by the Dodgers' Don Drysdale in Los Angeles last July, an incident that resulted in a \$100 fine and a five-day suspension for Drysdale.

The figures show that Robinson has been a favorite target. In six years, he has led the league in the "hit by pitcher" department three times. Last season he lost the unwanted title to Joe Cunningham, then of St. Louis. Cunningham was hit 11 times, Robinson 10.

Robinson led in slugging percentage with .613 and was second with 124 RBI and 117 runs and third with 37 homers and 22 stolen bases while batting .323 in 1961.

### Seek Senate Action To Abolish All Poll Taxes

By JACK BELL  
WASHINGTON (AP)—The Kennedy administration moved Tuesday to bring before the Senate a proposed constitutional amendment to abolish poll taxes as the first step toward stiffer civil rights legislation.

Senate Democratic Leader Mike Mansfield of Montana announced Monday the poll tax measure, now stuck in the Senate Judiciary Committee, will be offered as a substitute for a House-passed bill on the calendar.

Sen. Hubert H. Humphrey of Minnesota, the assistant Democratic leader, told reporters the administration hopes thus to set a pattern for a post-Easter battle to strike down state literacy tests in federal elections.

He said a bill to make the completion of a sixth-grade education the only literacy requirement for voting in federal elections also will be offered.

**U. S. CAPTAIN  
ACCUSED OF  
BEING A SPY**

WIESBADEN, Germany (AP)—The U. S. Air Force Tuesday disclosed the charges on which a court-martial will try Capt. Joseph P. Kauffman, who allegedly gave information to East German agents.

The Air Force accused him of giving information on Air Force installations in Greenland and Japan and disclosing shortcomings and weaknesses of Air Force officers stationed in Greenland and Japan.

Kauffman, 43, was brought to the Air Force's European headquarters from Castle Air Force Base in California last December for preliminary investigation. On March 8 Air Force authorities determined a court-martial would be held. The trial date has not been set.

Investigators had disclosed previously that Kauffman's case involved contact with East Germans during a trip to Germany in September 1960. During pretrial hearings one of the chief witnesses was Guenter Maennel, a former East German intelligence official who defected to the West last June. He apparently supplied the first information leading to Kauffman's arrest.

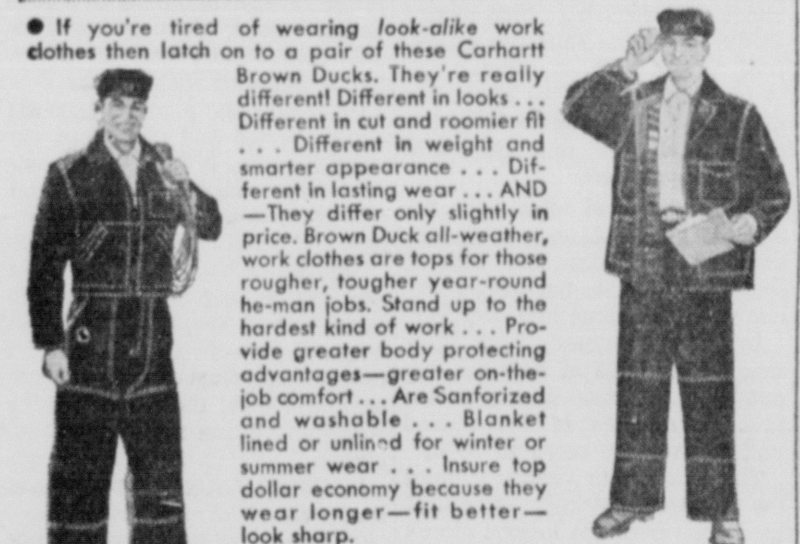

Kauffman, a bachelor born in Rutland, Vt., is a veteran of 19 years service with the Air Force.

Mississippi is one of the five states which still have a poll tax. Others are Alabama, Arkansas, Texas and Virginia.

The Senate passed an identical poll tax amendment by a 72-16 vote in 1960 but it died in the House. To become a part of the Constitution, an amendment must have two-thirds approval of those voting in both houses and ratification by three-fourths of the states.

Almost nobody thought that the literacy proposal could command a two-thirds margin in the Senate.

# Cooking Is Fun

By Cecily Brownstone

**THE BRIDE COOKS SUPPER**  
Adapted from a cookbook of  
Grecian recipes, this dish is a de-  
lightful flavor change.

Skillet Cod and Potatoes  
Broccoli Bread Tray  
Fruit and Cheese Beverage  
**SKILLET COD AND POTATOES**  
1 pound fresh cod (small tail end  
in one piece)

Salt and pepper to taste  
1 tablespoon flour  
1/2 cup olive oil  
8 medium-sized onions (cut in  
thin strips)  
1/4 teaspoon ground cinnamon  
1 cup water

Wash and dry fish; sprinkle  
with salt and pepper and coat  
with flour. In a 10-inch skillet heat  
the olive oil; add the onions and  
cook until golden. Sprinkle with  
salt, pepper and cinnamon; add  
water and bring to a boil. Add  
cod, currants and potatoes; sim-  
mer, covered, until fish and po-  
tatoes are cooked through. If there  
seems too much oil to serve with  
the fish and potatoes, spoon it  
over a plain cooked green vege-  
table. Makes three servings.

**SATURDAY BUFFET**

molded beet salad will serve a  
group.

**MOLDED BEET SALAD**  
1 can (1 pound) whole medium  
beets  
4 cups water  
1 large package (6 ounces)  
lemon-flavored gelatin  
3 cups finely diced celery  
salad greens and cucumber  
Drain beets and dice. (Reserve  
beet juice for some other use.)  
Heat 2 cups water to boiling and  
pour over gelatin, stirring until  
dissolved; stir in the remaining  
2 cups cold water. Place the  
beets and celery in a ring mold  
(at least 6 cups); pour in the gel-  
atin mixture; chill until set. The  
beets will color the gelatin. Un-  
mold; surround with salad greens  
and put some in the center. Pare  
and flute cucumber with tines of  
a fork; slice thin; arrange slices  
at intervals over jellied mold.  
Makes eight to 12 servings.

**SUNDAY TEA**  
Deviled Ham and Egg  
Sandwiches  
Stuffed Celery  
Spiced Marguerites  
Tea with Lemon or Milk  
**SPICED MARGUERITES**  
1/4 teaspoon cream of tartar  
1/4 teaspoon ground cinnamon  
1/4 teaspoon finely grated orange  
rind  
1/2 cup sugar  
1 egg white  
16-18 crisp saltines  
Stir cream of tartar, cinnamon  
and orange rind into sugar. Beat  
egg white at moderately slow  
speed until stiff straight peaks  
form. At moderately high speed,

gradually beat in sugar mixture  
so peaks are very stiff and  
glossy. Place crackers on cookie  
sheet; drop heaping teaspoonful  
of the meringue onto each. Bake  
in slow (300 degree) oven about  
30 minutes — crackers will be  
golden brown. Cool in oven with  
door open. Marguerites may be  
stored for several days in an air-  
tight container. Meringue topping  
will be crisp.

## GRAND OPENING TOMORROW!

Come in and get into a Volkswagen.

Sedans, station wagons, trucks and Karmann Ghias—we'll have them all at our Grand Opening tomorrow, doors open, ready to go.

Come in. Ask for a demonstration drive.

Things you'll notice along the way: VWs are rattle free, easier to handle in traffic, park in little space. (VW station wagons, for example, are 4 feet shorter than standard wagons, yet roomier inside than any

standard wagon you can buy.)

Back at the showroom, ask about the air-cooled engine in the rear that will go all day at top speed without strain.

Ask to see the service department. Nothing can happen to any VW that we can't fix.

Then, ask to see figures on what it costs to run the VW that interests you most.

Grand Opening celebration begins at 9:00—tomorrow.

SUGGEST SHOW ON REPORTERS MAKING NEWS

By CYNTHIA LOWRY  
AP Television-Radio Writer  
NEW YORK (AP) — Television networks are currently spending big money and ordering their press agents to beat the drums loudly about the way they are covering current events.

Documentaries, "CBS Reports," "White Papers," editorial comment and lectures add the prime evening time schedules like butter on a casserole. "David Brinkley's Journal" is described by NBC as a "news column." Network correspondents are stationed around the world.

But television has yet to produce one series with an "electronic journalist" (as it likes to call him) as the glamorous hero. No, the newspaper correspondent or reporter, even the magazine writer, remains the stock heroic figure of this adventure-story area.

ABC HAS CORNER  
This season ABC seems to have a corner on beautiful, glamorous journalists. There's the fun-loving, adventure-prone threesome on "Follow the Sun," who don't seem to have any deadlines or even spend much time taking notes or writing their magazine articles. There's columnist Paul Marino of "Target: The Corruptors," whose activities are more interesting than the plots. Our hero races around the sin-spots making righteous speeches and exposing wrong-doers, but rarely is he seen columnizing—and then it's talking into a dictating machine, without even referring to notes.

BEING "BOOBED"

The way television—and movies—portray newspapermen is an unending source of amusement and frustration to members of the profession. Probably the reason television has ducked trying to glam-

orize its own electronic chips off the newspaper block is that network newsmen would complain they were being "boobed," as they say in television.

So how about an adventure series about a television correspondent, traveling all over with his mobile equipment, his technical crew, director, producer and writers?

Wally Cox's long-term contract with NBC, which has kept him pretty thoroughly out of living room focus, apparently has finally run out. He turned up in an ABC series last Sunday and now has been signed for a comedy variety show on that network April 6.

Recommended tonight: Perry Como Show, NBC, 9-10 (EST)—Joe E. Ross and Fred Gwynne of "Car 54, Where Are You?" are guest stars; Circle Theater, CBS, 10-11—"The Man Who Refused To Die," with Alexander Scourby.

Littlestown  
PENN LITTLE NAME CHOSEN BY SCOUTERS

The Littlestown Brownie and Girl Scout leaders and troop committee members met on Monday evening at the home of the neighborhood chairman, Mrs. Charles E. Ritter, Glenwyn Drive. "Penn Little" was selected as the name of the local neighborhood.

Mrs. Ritter, who presided, announced that the room assigned to the Girl Scouts at the Community Center is not yet painted, but bids are being accepted for this work. A check for \$25 from Ralph E. Peters, Harrisburg, an official of the Junior Chamber of Commerce, was received. This was the amount given to him by the local Jaycee chapter, when he was here as a guest speaker. He returned the check designating it for the local Girl Scouts. The group decided to contribute this amount toward the cost of painting the room at the Community Center.

It was noted that folding chairs will be needed for the room. Mrs. Marjorie Schaefer reported that these might be bought from the surplus store in Harrisburg. Chairs such as those needed can sometimes be purchased at that store for as low as 25 cents. Mrs. Schaefer was instructed to contact a local person who goes to the store each month, to purchase 50 chairs for the Scout room, at a cost not to exceed \$1 each.

TO GIVE AWARDS

The Juliette Low rally will begin at 10 a.m. and will continue for two hours, at the Gettysburg High School. Awards for Girl Scout window displays will be given at this time by Mrs. Ritter. The local girl who had the most cookie orders will present the check from all the Scouts of the community for the friendship fund.

FREE TWO MEN FOR ILLEGAL BOND DEALING

CHICAGO (AP)—Two of three men accused of dealing in bonds stolen nearly four years ago in a \$12 million Canadian bank burglary have been acquitted by a federal court jury. The jury resumes deliberations today on a verdict for a third defendant.

A fourth defendant was dismissed on a directed verdict of acquittal midway in the U. S. District Court trial because of insufficient evidence.

Still under consideration by the jury was the case of William Rabin, 53, a Chicago financier described by a prosecutor as a "jack-of-all-trades who had a lust for power and money."

GO-BETWEEN

He was described by the government as the man who served as go-between in a scheme to move stolen securities from underworld hands into international finance.

The cases went to the jury Monday night. The jury resumed deliberations Tuesday morning and at midday acquitted George E. Rosden, 54, of Sumner, Md., an international lawyer with offices in Washington.

A few hours later, Sam Mannarino, 64, of New Kensington, Pa. was acquitted.

ON HUNTING TRIP

The government had said Mannarino had obtained stolen bonds through connections with underworld characters in Montreal, Que., and contacted Rabin, who in turn went to Rosden with a plan to market the securities.

Mannarino said he was on a hunting trip at the time government witnesses placed him at a meeting with Rabin in a Cumberland, Md., hotel, where a bond disposal plan allegedly was discussed.

Rosden, a former judge in Germany who now is an American citizen, said in a statement after the verdict: "The outcome of this long trial is another proof of the reliability of our jury system."

Frederic, a directed verdict was

Norman Rothman, 45, of Miami Beach, Fla.

Mrs. Kennedy delayed having the operation because of the condition of the former ambassador who suffered a stroke at Palm Beach, Fla. He is convalescing now in Palm Beach.

Edward M. Kennedy, youngest brother of the President, and his wife, Joan, visited the hospital several hours after the operation.

French investigators have reported that molds can control sheep hookworm.
